Mars Electric Supports Ronald McDonald House's Cleaning Supply Drive

Northeast Ohio's leading distributor and wholesaler of electric supplies collects donations at all twelve of its branches.

CLEVELAND, OH – December 22, 2017 – [Mars Electric](#), a leading, independent wholesale distributor of lighting, gear and electrical supplies, supported the Ronald McDonald House's Cleaning Supply Drive on December 22, 2017. All twelve Mars Electric branches collected household cleaning supplies donated by customers and employees to be used at the Ronald McDonald House of Cleveland.

"Our customers and employees are outstanding. They rallied and donated cleaning supplies for the Ronald McDonald House, an amazing facility for families to stay close while their children are getting medical care," said Michael Mammone, Vice President of Sales.
